YEAST			
Fermol Associees <i>Multi-strain yeast for red, white & rose wines</i>	500 grams		
Fermol A3B <i>For over-ripened grapes with low acid, it can increase TA</i>	500 grams 5 Kg		
Fermol Blanc <i>Ideally suited for aromatic white wines</i>	500 grams 10 Kg		
Fermol Chardonnay <i>For white barrel fermented & "sur lies" aromatic style wines</i>	500 grams 10 Kg		
Fermol Davis 522 <i>Strong fermenting multi-purpose yeast for red, white & rose wines</i>	500 grams		
Fermol Premier Cru <i>For structured red wines suitable for aging</i>	500 grams 5 Kg		
Fermol Rouge <i>For reds subject to over ripening giving good aromatic intensity</i>	10 Kg		
Fermol Sauvignon <i>Strong fermenting yeast for white grapes rich in aromatic precursors</i>	500 grams 5 Kg		
Fermol Super 16 <i>Strong fermenting multi-purpose yeast for red, white & rose wines</i>	500 grams 5 Kg		
St. Georges S-101 <i>Designed for young, fruity, floral reds</i>	500 grams 10 Kg		
C.K. S-102 <i>Strong fermenter for aromatic whites</i>	500 grams 10 Kg		
B.C. S-103 <i>Our most EtOH tolerant strain frequently used to restart stuck fermentations</i>	500 grams 10 Kg		
Premier Cuvee (Davis 796) <i>Dry whites, dry reds, sparkling cuvee & triage</i>	500 grams 10 Kg		
Côte des Blancs (Davis 750) <i>Residual sugar wines, light young red, sparkling cuvees</i>	500 grams 10 Kg		
Pasteur Champagne (Davis 595) <i>Dry whites, light red wines</i>	500 grams 10 Kg		
Montrachet (Davis 522) <i>Dry whites, light young reds & tannic reds</i>	500 grams 10 Kg		
Pasteur Red™ (Davis 904) <i>Full-bodied reds where varietal fruit flavors & complex aromas are desired</i>	500 grams 10 Kg		
YEAST NUTRIENTS			
Fermocel <i>Biological & physical fermentation regulator</i>	25 Kg		
Fermoplus Integrateur <i>Complete fermentation nutrient for the production of red, white & rose wines</i>	20 Kg		
Superfood® <i>Complete yeast nutrient blend</i>	1 lb-5 lb-10 lb 25 Kg		
Bioferm <i>Inactivated dry yeast nutrient, very high in natural amino acids & vitamins</i>	25 Kg		
Nutrex 370 (yeast hulls) <i>Spray dried yeast cell wall material</i>	1 lb-5 lb-10 lb 50 lb		
Yeastade Premium (yeast extract) <i>Water-soluble yeast extract</i>	1 lb-5 lb-10 lb 25 Kg		
Yeastade 50 <i>Primary grown autolyzed yeast, pasteurized & dried at high temperatures</i>	50 lb		

	PRODUCT	PACKAGING	QUANTITY	PRICE/LB
	ENZYMES			
	Endozym Active (20-40 grams/ton) <i>For grape and juice clarification, yield & ease of pressing, granular form</i>	500 grams		
	Endozym Micro (2-4 mls/ton) <i>Rapid clarifier in a super concentrated liquid form</i>	10 Kg 25 Kg		
	Endozym Ice (5 mls/ton) <i>Cold temperature clarifier in a concentrated liquid form</i>	1 Kg		
	Endozyme ICS 10 Éclair (1.5-9 mls/ton) <i>For fast juice clarification, super concentrated liquid form</i>	100 gram pk		
	Endozym Contact Pelliculaire (20-40 grams/ton) <i>For red wine clarification and color extraction, granular form</i>	500 grams		
	Endozym ICS 10 Rouge (1 ml/ton) <i>For fast color extraction, super concentrated liquid form</i>	100 gram pk		
	Endozym Cultivar (20-40 grams/ton) <i>For extraction & release of aromatic precursors, granular form</i>	500 grams		
	Endozym B~Split (5-10 ml/ton) <i>For extraction & release of aromatic precursors, concentrated liquid form</i>	1 Kg		
NEW	Endozym Antibotrytis (20-40 grams/ton) <i>For the treatment of white & red botrytis affected grapes (shuts down the laccase enzyme that causes browning)</i>	500 grams		
	MALOLACTIC BACTERIA & NUTRIENTS			
	Biolact Acclimatee <i>Freeze dried, direct inoculation consisting of 3 strains of Oenococcus Oeni for malolactic fermentation</i>	66 gal 660 gal 6600 gal 26,400 gal		
NEW	Biolact Fresh <i>Innovative dual-strain product stored at 1-7C (refrigerator) without activity loss</i>	1000 hl pk		
	Fermoplus Malolactique <i>Specific nutrient for malolactic bacteria</i>	5 Kg		
	CLARIFIERS			
	Gelsol <i>50 % liquid gelatin solution</i>	25 Kg 250 Kg		
	Spindasol W <i>30% silica sol for fast clarification</i>	25 Kg 240 Kg		
	Ovogel <i>Egg albumin</i>	500 grams 10 Kg		
	Bentogran <i>Pharmaceutical bentonite</i>	25 Kg		
	Microcel <i>Active adsorbent fermentation aid for juice and musts</i>	25 Kg		
	Biocatalasi <i>Clarifier for fine red or white wines</i>	20 Kg		
	Catalasi <i>White wine antioxidantizing clarifier</i>	20 Kg		
	Isinglass	10 Kg		
	FERMENTATION TANNINS			
	Fermotan <i>Fermentation tannin for red and rose vinification</i>	1 Kg 15 Kg		
NEW	Fermotan Liquid <i>Fermentation liquid tannin for red and rose vinification</i>	25 Kg		
	Fermotan Blanc <i>Fermentation tannin for white wine vinification</i>	1 Kg		
	POST - FERMENTATION TANNINS			
	Taniquerc <i>Promotes maturation and highlights the structure of prized red wines</i>	1 Kg		
	Taniblan <i>Enhances fruit and oxidation resistance in wines</i>	1 Kg		
NEW	Ellagitan Barrique Rouge (available in liquid, 1 Kg bottles, dry 500 g only) <i>Enhances the maturation process & aroma of prized red wine</i>	500 grams 1 Kg Bottle		
	Ellagitan Barrique Blanc <i>Highlights the varietal aromas of white and rose wines</i>	500 grams		

NEW

PRODUCT	PACKAGING	QUANTITY	PRICE/LB
POST - FERMENTATION TANNINS			
Protan Bois <i>Strengthens and amplifies tannin structure</i>	500 grams		
Protan Raisin <i>Velvety smooth proanthocyanin tannin, extracted from white grape skins</i>	500 grams		
Protan Pepin <i>Stabilizes color & naturally integrates the polyphenolic structure of wines</i>	500 grams		
Gallovin <i>Highly reactive gallic tannin</i>	500 grams		
SPECIALTY PRODUCTS			
Arabinol <i>Liquid gum Arabic</i>	25 Kg		
	230 Kg		
Carbosil <i>A high grade liquid de-colorizing carbon/silica sol composition</i>	25 Kg		
Batonnage Plus Structure <i>Mannoprotein structure enhancer & stabilizer with tannins & gum Arabic</i>	5 Kg		
Batonnage Plus Blanc <i>Mannoprotein structure enhancer & stabilizer with gum Arabic & tannins</i>	5 Kg		
Batonnage Plus Elevage <i>Pure mannoprotien extracted from yeast hulls</i>	5 Kg		
Desulfur <i>1% liquid copper sulfate</i>	1 Kg		
Lysozyme (Lysocid W) <i>Antibacterial for must, juice & wine</i>	500 grams		
Microcid <i>Antimicrobial and antioxidizing stabilizer</i>	1 Kg		
Aromax <i>Removes oxygen and preserves primary aromas in grapes and juice</i>	1 Kg		
Riduxhigh <i>Antioxidizing stabilizer for wine & juice</i>	1 Kg		
CLEANING & SANITIZATION			
Chlorinated Tri-Sodium Phosphate	25 Kg		
Tri-Sodium Phosphate (non-chlorinated)	50 Kg Drum		
Caustic Soda beads	50 lb		
Sodium Percarbonate	25 Kg		
Calcium Hypochlorite (HTH)	100 Kg Drum		
Paracetic Acid	7 gal		
	55 gal		
Soda Ash	1 lb-5 lb-10 lb		
	50 lb		
Quaternary Ammonia	4 x 1 gal case		
	55 gal		
Iodine	4 x 1 gal case		
	55 gal		
Removil <i>Removil Powder is a heavy duty cleaner designed to remove tartrates, fermentation stains, lies stains or any other organic matter</i>	45 lb		
	100 lb		
	400 lb		
Remoxan <i>Remoxan is a safe chlorine free detergent that can be used directly with Removil for one step winery cleaning.</i>	5 gal		
	30 gal		
	55 gal		
FILTRATION MEDIA			
Diatomaceous Earth (DE) <i>Eagle Picher Fresh Water Diatoms. Please specify grades:</i>	50 lb		
Fiber Precoats <i>PB 40M & PB 100M & NB-10. Please specify grades:</i>	50 lb		
Fibroxcel <i>10, 30 & VAC. Please specify grades:</i>	20 Kg		
Filtration Sheets <i>Carlson high performance filter sheets. Please specify grades & size:</i>	box/100		

PRODUCT	PACKAGING	QTY.	PRICE/LB
CELLAR CHEMICALS			
Ascorbic Acid	1 lb-5 lb-10 lb		
	25 Kg		
KWK Bentonite (regular)	1 lb-5 lb-10 lb		
	50 lb		
Krystal Klear Bentonite (Cold or hot water)	1 lb-5 lb-10 lb		
	50 lb		
Carbon KB-G <i>For color</i>	33.1 lb		
Carbon S-51 <i>For odor</i>	40 lb		
Carbon PAC 200 <i>For patulent</i>	50 lb		
Citric Acid <i>Domestic</i>	1 lb-5 lb-10 lb		
	50 lb		
Citric Acid <i>Import</i>	50 lb		
Cream of Tartar <i>Derived from grapes</i>	1 lb-5 lb-10 lb		
	25 Kg		
Diammonium Phosphate <i>Domestic</i>	1 lb-5 lb-10 lb		
	50 lb		
Diammonium Phosphate <i>Import</i>	50 lb/25 Kg		
Silver Leaf Gelatin	1 lb		
Malic Acid	1 lb-5 lb-10 lb		
	50 lb		
Potassium Carbonate	1 lb-5 lb-10 lb		
	50 lb/25 Kg		
Potassium Metabisulfite	1 Kg		
	25 Kg		
Potassium Sorbate	1 lb-5 lb-10 lb		
	50 lb		
Propylene Glycol USP food grade inhibited	483 lb		
PVPP <i>Divergan F</i>	1 lb-5 lb-10 lb		
	30 Kg		
Tartaric Acid <i>Derived from grapes</i>	1 lb-5 lb-10 lb		
	25 Kg
